

28th April 04

To everyone concerned.

I would like to thank everybody for a really fabulous day we had on Sat 24th April. When my son Daniel was given "the day" as a 21st birthday present and asked myself and his gran parents among I thought not another day up to our ankles in mud and eating a picnic on damp grass in the woods. It was a pleasant surprise to be able to take part and have a ride in some of the "tanks" instead of just watching. To add to the enjoyment the green team that Daniel was in won that day, so to crush the car at the end just made his day even more special.

I would also like to say a big thank you to all the catering staff it really was an excellant menu and catered for every bodie's taste.

I would certainly recommend it to others as a most enjoyable day.

Yours sincerely

Mrs Christine Mannion.
