

To everyone at Tanks-a-lot,

I just had to e-mail you all & say thanks for a great day!

I bought my husband a red letter tank drive for his 30th Birthday, & we came down yesterday morning. Darren was a bit nervous, & didn't know whether he'd enjoy it, but I'm pleased to say he had a brilliant time. But I think the best part was being the best driver, & being the person to drive the chieftan over the ford orion!

He's still talking about it, so I can safely say he did appreciate the present after all!!

Also when I found out I had to pay £10 to be a spectator, I was a bit put out, but now I've been, it was worth it. I didn't need my book that I bought with me to read because you involved us aswell.

I've already recommended the day out to friends & family.

Thanks again for a great day!

Gill Sanger
